Please refer to our allergen key below on how to use this dietary and allergen guide.
A blank space in the table indicates allergens were not reported in this product based on the information from our ingredient suppliers and assessment of our restaurant operations. However, we are unable to guarantee that any products sold are free from allergens.
There is always a risk that traces of allergens may be transferred to ingredients during processing, storage or food preparation in our kitchens, or during the external manufacturing process for a product or ingredient.

Please be aware that we do not have a gluten-free menu. Our 'low gluten' options are items that 'may contain traces of gluten' and defined as ingredients of the menu items that do not naturally contain gluten, however, we cannot guarantee it is free from gluten due to processing, storage, food preparation and our mixed use kitchens.
